

What Moves Frisoli Conversation Questions

1. Start by saying your name, age, and what grade you're going into.
2. What are your preferred pronouns (he, she, they, etc.)?
3. What are the car-light ways you get around (to school, Frisoli, activities, etc.)?
4. How did you learn how to use any of those modes?
5. What do you like most about the ways you get around?
6. Do you think there are misconceptions about any of these modes? (e.g. "People who use X mode are ____.")
7. What kinds of transportation do other people in your family or household use?
8. Do you think the modes you use have a positive impact on your emotional well-being?
9. Do you have any tips for other people who might be interested in learning your modes?
10. Are there other kinds of car-light transportation modes you would like to try? Why or why not?
What stops you from using these modes?
11. What would make transportation in Cambridge better? What changes or improvements would you like to see?
12. Do you have a cool story about your transportation mode to share?
13. Anything else you want to share?

*car-light = carpooling, cycling, skateboarding, bus, train, rollerblading, wheelchair, scooter, walking, running
