

What Moves Everett Schools

Survey Highlights: District-Wide

Spring 2023

page 1

Figure 1: How Students Travel To and From School

Over 50% of students throughout the district walk to and from school. Even though 37% drive TO school, only 29% drive FROM school.

Bus use is more consistent in getting to and from school: 6% ride the bus to school, whereas 7% ride the bus from school.
